

## 2nd Grade Kickstarter:

### **An Invitation to the Bible**

Second graders are reading independently, so this is the perfect time to help them engage in the Book that will change their lives: the Bible. Most of us, as adults, struggle with reading the Bible on a consistent basis. Our lives and the time we spend in the Bible would probably be different if someone had helped us understand when we were younger that the Bible is personal, prepares us for life, and is true. (This didn't happen for many of us.) Therefore, this is the goal of the 2nd grade Rites of Passage Experience.

### **Kickstarter 1: The Bible Is Personal**

Often we see the Bible as something we study at church and not necessarily something that we use personally. However, the Bible is a personal letter from God to us.

Read the story of The Parable of the Farmer in **Luke 8:4-15**:

*One day Jesus told a story in the form of a parable to a large crowd that had gathered from many towns to hear him: "A farmer went out to plant his seed. As he scattered it across his field, some seed fell on a footpath, where it was stepped on, and the birds ate it. Other seed fell among rocks. It began to grow, but the plant soon wilted and died for lack of moisture. Other seed*

*fell among thorns that grew up with it and choked out the tender plants. Still other seed fell on fertile soil. This seed grew and produced a crop that was a hundred times as much as had been planted!" When he had said this, he called out, "Anyone with ears to hear should listen and understand.*

*His disciples asked him what this parable meant. He replied, "You are permitted to understand the secrets[a] of the Kingdom of God. But I use parables to teach the others so that the Scriptures might be fulfilled:*

*'When they look, they won't really see.  
When they hear, they won't understand.'*

[Isaiah 6:9]

*"This is the meaning of the parable: The seed is God's word. The seeds that fell on the footpath represent those who hear the message, only to have the devil come and take it away from their hearts and prevent them from believing and being saved. The seeds on the rocky soil represent those who hear the message and receive it with joy. But since they don't have deep roots, they believe for a while, then they fall away when they face temptation. The seeds that fell among the thorns represent those who hear the message, but all too quickly the message is crowded out by the cares and riches and pleasures of this life. And so they never grow into maturity.*

*And the seeds that fell on the good soil represent honest, good-hearted people who hear God's word, cling to it,*

*and patiently produce a huge harvest.*

Help your child understand these verses by asking:

Can you draw a picture in each of the four boxes that shows the different things that happen to the seeds in this story?

Can you circle the picture that shows the way God wants us to respond to the Bible?

How does God want us to respond to the Bible?

God wants us to read the Bible, put it in our hearts, and do what it says. In this way, the Bible is very personal.

Every time we read it, God is trying to teach us something.

## **Kickstarter 2: The Bible Prepares Us for Life**

The Bible is so much more than knowledge and information. It can impact every area of our lives. In fact, it has information on how to handle money, interact with others, live a life of integrity, and other important areas. It prepares us to live this life.

### **Read 2 Timothy 3:14-17:**

But I want you to continue to follow what you have learned. Don't give up what you are sure of. You know the people you learned it from. You have known the Holy Scriptures ever since you were a little child. They are able to

teach you how to be saved by believing in Christ Jesus.

God has breathed life into all of Scripture. It is useful for teaching us what is true. It is useful for correcting our mistakes. It is useful for making our lives whole again. It is useful for training us to do what is right. By using Scripture, a man of God can be completely prepared to do every good thing.

***The Bible is very personal. Every time we read it, God is trying to teach us something.***

Memorizing Bible verses is something that will equip us to live life God's way. These verses, in particular, are GREAT verses to memorize.

Using a dry erase

marker, let your child

write verses 16 and 17 (above in red) on a mirror (maybe a dresser mirror or bathroom mirror) so that they see it every day. Encourage them to read the verses every single time they look in the mirror, until they have them memorized.

## **Kickstarter 3: The Bible Is True**

By now, your child knows the difference between reality and fantasy, between what is true and what is just a story. The Bible isn't just a story and isn't just a fairy tale. It is the true account of how God saved the world through His Son Jesus.

John was one of Jesus' disciples. He

spent time with Jesus, watched Him do miracles, heard Him teach, watched Him die on the cross, and saw Him come back to life. At the end of the book of John (John 21:24, 25), this is what he said:

This is the disciple who gives witness to these things. He also wrote them down. We know that his witness is true.

Jesus did many more things than just what was written down. What if every one of them had been written down? I suppose that even the whole world would not have room for the books that would be written from these stories!

Share with your child the ways you know the Bible to be true. Is there a story of when a verse in the Bible helped you make a decision and/or comforted you during a tough time? Telling this story to your child will help them see how true the Bible has been in your own life. If you can't think of one immediately, just let them know that you'll have to think about it and tell them later. (Set a specific time that will work for your family so that you won't forget to do it!)
